**TOP 100 WINES  
USA 2024**

**#47 WINE**

**97** POINTS

“So many graphite and pencil shaving aromas here with blue fruits. Slate and tar undertones. Black and red currants. Some ash. Medium-bodied with open grained tannins. So much iron and rust with lead and mussel shell. Then turns to pine cone and cedar. Really complex and flavor intensive. Love to drink it now as a young wine. This evolves all the time. It will age beautifully. Better in three to five years. But I can’t wait.”
